2010 CCHS BASKETBALL PRESENTS A BALL-HANDLING CLINIC

Covenant Christian High School is excited to offer a ball-handling clinic for boys and girls. This is an excellent opportunity for athletes interested in improving their skills as a basketball player. The most fundamental skill in basketball and often the most overlooked skill is that of ball-handling. Coach Jerry Bechtold will be conducting the camp. You may visit his website at www.therelentless1.com. The objectives of the camp are to improve the athlete's skills and confidence with the basketball. For participating in the camp, each camper will receive 2 basketballs and a camp t-shirt.
